MEMORANDUM FOR: Acting Director of Central Intelligence 8/8/63

SUBJECT: Senate Foreign Relations Committee

1. This memorandum is for information only.
2. Fred Dutton, Assistant Secretary - Congressional Relations, Department of State, telephoned to advise that very probably the Senate Foreign Relations Committee would be calling on Mr. McCone for a briefing in executive session on the nuclear test ban treaty on 16 August 1963. I have not yet heard anything from the Committee but assume they will be contacting us soon.
